

Homebound Delivery Program

Since 1998, the AIFC has provided nutritious food to people in need.

We serve people living in a large area around Auburn, from Loomis to Emigrant Gap, from Lake of the Pines to Foresthill.

We have a program to **deliver groceries once a month** to homebound individuals.

We provide participants with enough food each month to make 9 nutritious meals for everyone in the household.

To learn more about this program, you can contact us at: **(530) 885-1921**, or via email at aifc@auburnfoodcloset.org.
